Poland Parks & Recreation Department Monthly Report:
February 2016

2/2 Attended Safety Meeting

2/3 Goodbye party for Julie-The employees came together to celebrate Julie's time working for the town. She was presented with a plaque to thank her for her service.

2/4 Volunteer beginning 40 hour commitment-Ed Heath has been working a few hours each week. He helped do some equipment sorting and has mostly been doing the painting in the town hall basement.

2/6 Winter Ball- This event turn out was one of the best. Almost 100 couples attended at Poland Community School. The cheer program volunteers helped make this a special night.

2/17 Bus Transportation-The town was informed that the RSU school buses would not be available for our programming any longer. Scott will present options @ the BOS meeting 3/1.

Ball Field Signs:

Ball field signs ordered. These will be paid for out of Recreational Operational Line (non taxpayer funds)

Beach Erosion Update:

Poland Spring Bottle Company has approved our request for \$5,000 in funding to support the Erosion Control Plan. In addition, they will be donating two recycle material picnic tables (heavy duty) for beach use. Depending on the cost, we will look into possibly purchasing a third table, so all of the older tables are replaced.

Cheering:

We are in the process of getting prepared for our 9th annual Spirit Invitational being held on 3/5. Coordinated with RSU staff, Sheriff's Dept, Fire/Rescue, etc..to make sure we have a solid plan for parking and other potential challenges.

Poland Seniors:

See minutes enclosed from meeting on 2/13/16

Trail Committee:

Meeting on 2/16/16; Working on easement plan for Hilt Hollow with Conservation Commission; Updated Heart of Poland Brochure and included face book page info; Installed mail boxes on Kiosks for log book and trail maps.

Upcoming Planning:

-Search for a pickup truck: Using recreation operational funds (Non-tax payer revenues) looking for a used pickup truck that will allow me to not have to use my personal vehicle to move recreation equipment/supplies on a regular basis. In addition, it would take the burden off of Brian Kimball using his personal truck for helping me move larger items. In addition, I would be willing to allow maintenance staff weekly use of the truck to transport recycling and trash for the town. Brian for years has been using his personal vehicle to do this work.
